Dear Friend,

For over ten years, Liberty Christian Academy has partnered with families to provide a Christian education to students from Preschool through 12th grade. We are committed to creating a safe, family environment by meeting the needs of each child. Our curriculum has a Bible-based focus and is taught by degreed Christian teachers. God's Word is the basis for all our decisions including academics, policies, discipline, and extra-curricular activities. LCA's core values center on igniting a passion for Jesus Christ in the hearts of our students.

As we have grown, our need for more space has become imminent. So, we are **MOVING FORWARD**...moving forward with plans to build a new building that will house a gymnasium, additional classrooms, locker rooms, administrative space, and much more!

With a capital campaign theme of "MOVING Forward", we have an immediate goal to raise \$360,000 so that we can break ground on our new facility. We have currently met \$71,000 of that goal.

Here's how you can help:

PRAY

More than anything, the LCA family wants to honor God in all that we do. Pray for us to follow His leading in accomplishing that call.

PARTNER

If you would like to partner with parents, students, staff, and friends of LCA to see this dream become a reality, we would love for you to share information, connections, ideas and resources with us! You can contact us by calling the school or by emailing office@lcaeagles.com.

GIVE

You can give now to help us quickly meet our \$360,000 initial goal more quickly. Then encourage other visionaries to give! Your gift goes toward more than a building – you are investing in the future with eternal rewards. One hundred percent of your tax-deductible donation will be directed to our \$250,000 breaking ground goal.

With your support, we will be able to move forward in creating more space to continue to provide a Christian education and welcome more families! Visit our website, www.lcaeagles.com, to learn more about Liberty Christian Academy and our MOVING FORWARD project. We would love for you to connect with us on Facebook at www.facebook.com/lcaeagles.

If you have any questions, feel free to contact us at 636.745.0388. Let's Move Forward!
