BUY A BLOCK

AND HELP US BUILD OUR WALLS

Liberty Christian Academy is building a new Learning Center, Cafeteria, Gym, Locker Rooms and more! You can be a part of our ***Moving Forward*** capital campaign and help us grow. Simply buy a concrete block (or as many as you can) and your name will be memorialized on your block on our new gym wall. For just \$100 dollars you can buy a **Single Concrete Block**. Want to make a larger impact? Buy a \$500 Cornerstone Block (only 40 available) for a special memorial. You can learn more about our Moving Forward project online at www.lcaeagles.com/movingforward.
